Please do not unleash your dog until the previous competing dog is leashed and has left the field.

Don't allow your dog to run onto the competition field during an event.

No puppies under 4 months of age are allowed at our events due to the not being fully vaccinated

Overly aggressive dogs or humans may be asked to leave the event.

NO female dogs in any stage of heat are allowed.

The head judge will decide if a competitor's disc are safe to compete with. Fastbacks, Hero Hyperflite and floppy discs are all pre approved, but if you are using different, please check with the head judge.

When competing, do not unleash your dog until the previous dog has been leashed.

If any round of competition is interrupted, time will stop and the competitor will be given the 3 choices- continue their round from where time was stopped, immediately do their round over, or move to the back of the order and redo their round. The competitor must decide right away. Loss of sound system does not count as an interruption.

Any issues with the event must be discussed with the head judge and event host. Their call will be final.
